### Travelling to Guayaquil Airport Transfer

If travelling by plane, there are several ways to get to the north part of the city (the selected hotels and ESPOL Campus are close by). See links below for additional or updated info.

### Taxi

Taxis are available 24 hours a day from outside Arrivals. The two selected hotels bring shuttle service for transfer-in and transfer out from airport and hotels. When you book the hotels, please provide hotel's personnel with your arrival and departure times and ask them to pick you up at the airport.

### Uber / Indriver

Uber / Indriver is widely available throughout Guayaquil and its suburbs, including the airport. During busiest hours in the airport the call could take some time.

### Getting to the meeting

ESPOL is located in Guayaquil, Ecuador at Gustavo Galindo Velasco Campus, Km 30.5 Perimetral Road. ESPOL will provide means to transport you from the hotel to ESPOL and viceversa. The event will be hosted at the Rectorate and STEM buildings.
